

POSITION: DOMESTIC AND SEXUAL VIOLENCE CLINICIAN I/II (BILINGUAL-SPANISH)

Department: Domestic and Sexual Violence Services

Reports To: Domestic and Sexual Violence Clinical Team Lead

Scope: To provide theoretically evidence-based best practice counseling/therapy and advocacy services to individuals and families experiencing domestic and/or sexual violence. (FTEs at 50% domestic violence and 50 % sexual assault)

DUTIES:

ESSENTIAL FUNCTIONS: *(Essential functions may include, but are not limited to the functions listed below.)*

- Uses theoretically-based counseling methods to provide assessment, individual, group therapy and/or consultation to survivors of domestic and/or sexual violence, ages 14 and up. Maintain a caseload of (20-25) individual clients.
- Provide psycho-education, support, interpersonal process, and other types of relevant groups to survivors of domestic and sexual violence.
- Complete regular client documentation and monthly reports regarding client cases and ensure collection of outcome related data is maintained accurately and in alignment with the schedule for reporting to funders.
- Participate with a multi-disciplinary team to effectively meet the needs of clients, when necessary.
- Attend weekly team meetings, trainings, supervision, and mandatory agency meetings.
- Provides On-Call support for the Regional Hospital Accompaniment Response Team (RHART).
- Serves on (2-3) committees pertaining to domestic or sexual violence (I.e. Fatality Review, Taskforces, SART, etc.)
- Assist with maintaining and/or building collaborations or community partnerships.

OTHER FUNCTIONS:

- Performs other duties as assigned and needed for the effective and efficient operation of the organization.

SUPERVISION:

- This position reports to, and receives operational supervision from, the Clinician Team Lead. This position is required to supervise (1-3) student interns a year.

QUALIFICATIONS:

Education:

- Master's Degree (minimum) in Social Work, Counseling, or related field. Bilingual capacity required.
- Experience working therapeutically with preferred population considered.
- Knowledgeable about trauma informed care model of service provision.
- Ability to be flexible and work effectively individually and collaboratively.

Experience:

- The essential relationships needed for success in this position are: YWCA staff and management, Board members and other volunteers, clients, other community service agencies and community at large
