SPONSORSHIP REQUEST FOR 2022

We would love for you to become a sponsor for YWLA's **commUNITY for change**. As a partner of our annual event, you will advance YWCA Richmond's mission to eliminate racism and empower women. Our vision is of a thriving community that works to end violence, stands up for racial and gender equity, honors personal courage, strengthens families and communities, and embraces justice. We operate four programs to fulfill this vision:

- Domestic Violence, Intimate Partner Violence, and Sexual Violence Services
- Infant-care and Early Childhood Education
- Women's Leadership Programs
- Racial and Gender Equity Programs

Your investment and partnership with YWCA Richmond will help create a region that sees women, girls, and people of color as we do: Equal. Powerful. Unstoppable.

Our programs stretch from Domestic Violence Prevention to our Sprout School (pre-school for kids ages 2 months to 5 years).

This fundraising event and others support this programming throughout the year. Your donations will make the continuation of this important work possible.

Thank you!
