

## The Sprout Difference

The Sprout School provides high-quality, full-day, year-round, early childhood education and childcare for children aged 2 months to 5 years. We believe every child deserves access to an excellent early learning experience, which is why our mixed income model welcomes families from all backgrounds.

At Sprout School, children are known, valued, and supported. Our classrooms are designed to foster curiosity, confidence, and connection—so children feel safe to explore, learn, and grow at their own pace.
